Dear Prof. Tahir Masood Ahmad,

The heart of every pediatrician around the world goes to the suffering of those affected by the cowardly bombing of innocents that took place in Lahore, Pakistan March 2016.

The nearly 1,000,000 pediatricians represented by the International Pediatric Association share the spiritual pain of the children and families of Lahore. We are united with the entire community-those who were killed or injured directly from the blast and those who endure injury as members of this suffering community under attack.

Please accept our heartfelt condolences during this difficult time.

On behalf of the International Pediatric Association,

Prof. A. Konstantopoulos
IPA President

Dr. W. Keenan
IPA Executive Director

Prof. Z. Bhutta
