

RSV GOLD

RSV GOLD: the first global mortality registry with identified RSV pathogen; funded by the Bill & Melinda Gates foundation.

Aim: to get insight into the risk factors and age distribution of children who died with RSV to inform vaccine development.

How to participate: please contact us if you would like to share data that meet the following inclusion and exclusion criteria:

- Inclusion criteria:
 - Child <5 years old
 - Death after January 1, 1995
 - Lab-confirmed RSV diagnosis
- Exclusion criteria:
 - RSV after bone marrow/stem cell transplantation

Update: we currently collaborate with 42 different countries. The first RSV GOLD results have recently been published: Scheltema et al, Lancet Global Health, October 2017.
