

DRAFT PROGRAMME

The objectives of the 2009 GAVI Partners' Forum are:

1. To share, celebrate and learn from the GAVI Alliance's results, innovations and impact to date.
2. To reaffirm and broaden the GAVI partnership by providing a forum to:
 - Enable a range of existing partners to share their experiences and exchange ideas.
 - Strengthen the involvement of specific stakeholder groups, particularly civil society.
3. To identify key opportunities and challenges for the future and enable partners to inform GAVI's strategic direction for 2011-2015.
