Dear Dr Valerie Gracey,

It was with the greatest shock and sorrow that we learnt of the tragic and untimely passing away of Prof Michael Gracey. Prof Gracey was a prominent pediatrician and has devoted much of his time and energy on issues concerning child health.

Prof Gracey has worked with the IPA in several roles over more than 25 years, culminating in his election as the Association's President in 1998. He is the only Australian to have been given that honor. His work with the IPA has taken him to dozens of countries and has given him extensive experience in international child health and the interrelationships between professional, commercial, and international organizations, as well as government and non-government organizations.

All his friends in IPA extends their deepest condolences to the family of the late Prof Gracey. May his soul rest in peace.

Sincerely,

On behalf of Executive and Standing committee of IPA

Dr Errol Alden

Dr Naveen Thacker
