

Dear Fellow Pediatrician,

Since the beginning of the COVID-19 pandemic, HRiC has been collecting reports of disproportionate human rights violations in maternity care. The first set of rights violations have been published in a report (link to report available below) and sent to the United Nations.

humanrightsinchildbirth.org/index.php/2020/05/09/report-on-rights-violations-in-maternity-care-during-covid-19/

Regards

Dr Naveen Thacker

Executive Director, IPA
