Please indicate the Technical Advisory Group of the IPA to which your research program most closely aligns:

- Adolescent Medicine
- Environmental Heal
- Immunizations
- Child Survival
- Better Medicine for Children
- Nutrition
- Humanitarian Emergency
- Early Child Development
- Quality of Care
- Non-Communicable Disease
- Other: \_\_\_\_\_

# International Pediatric Association Foundation, Inc.

1. Describe the question, problem, or issue you are looking to study:
2. What is your research hypothesis?
3. Describe how this research program will address or impact this need:
4. Describe the methodology of your research project:
5. Who provides or how you do obtain required permissions for participant to participate in this project?
6. Describe personnel and credentials of those key individuals involved in the research project:
7. How will you know you have answered the hypothesis question?
8. Is there additional funding for this work?

If so, please indicate the amount and from what organization(s).

As applicable, what will this additional funding allow you to do that you are unable to do with your current funding?

9. Is your project a continuation or expansion on previous work you have undertaken?  
If so, please provide a brief description.

10. Does this program require additional resources beyond what is being requested?

If so, please explain, including from where/whom.

11. Anticipated start date of the program once funded:
12. Anticipated total duration of the program:
13. Budget (attach a proposed budget on a separate sheet). Budget should address the following areas:

Staffing costs to be covered by the program  
Staffing costs provided as in kind or through your organizations/IPA  
Materials  
Consultants  
Travel to 2019IPA Congress in Panama

# International Pediatric Association Foundation, Inc.

The grant will not cover costs associated with general overhead.

Please describe how you will provide appropriate attestations to how this grant award (audited financials, receipts, etc.):

The principal investigator understands this work must be completed within one year, and presented at the 2019IPA Congress in Panama City, Panama.

Signed: \_\_\_\_\_

Date: \_\_\_\_\_

This grant will be awarded in three payments: 50% of the total award will come at time of award; 25% will awarded when requested by the awardee midway through the grant; and the final 25% will be awarded when the project is completed, results are submitted, and financial verification of grant expenses have been reviewed and approved. The costs of the travel to the IPA Congress in Panama City, Panama will be reimbursed at the time of the airfare and hotel reservations.

*Please submit your completed form by **1 November 2016** to IPAF administrative offices at [office@ipaf-world.org](mailto:office@ipaf-world.org)*
