

INTERNATIONAL PEDIATRIC ASSOCIATION CONGRESS 2027

TURKISH NATIONAL PEDIATRIC SOCIETY

The Turkish National Pediatric Society (TNPS) is one of the candidates willing to host the IPA 2027 Congress. TNPS was founded in 1958 by Prof. Ihsan Dogramaci. Dr. Dogramaci served to IPA between 1974-1977 as President and from 1977 to 1992 as Executive Director. From 1992 to 2010 he was the Honorary President. By the help of his role in both institutions strong ties and collaboration between IPA and the TNPS was built. This collaboration was later enhanced further by the current president of the IPA Prof. Enver Hasanoglu, who has been a member of the IPA Standing Committee since 1995. TNPS is a dedicated member of the IPA, working for a better future for every child, every age, everywhere.

TNPS has organized 66 National Pediatric Congresses and more than 100 regional meetings until now. On average, between 1500-2000 participants attend the national meetings. With this experience we believe that we can host an unforgettable event for pediatricians of the world.
